

MASSAGE CANCELLATION POLICY

The clinic requires a 6 hour notice of any cancellations for a massage appointment. Massage sessions are highly valued and are in extreme demand; therefore, we want to keep them open for those who need them.

After 2 missed appointments or late cancellations, we require a credit card number on file before scheduling any future appointments. Unfortunately, any subsequent breach of said policy will result in full charge against your credit card.

We appreciate the opportunity to serve you.

Thank you for your consideration!
